Dear John and Savvas,

We wanted to express our thanks to you for the recent updates you made to our website, www.zimbabwegecko.com. You have supported Sue's Project Gecko for a year and a half now, and we are thankful for your willingness to continue to help as we build Zimbabwe Gecko Society.

We are very pleased with the results of the recent changes – the site has a fresh look and now reflects our society's brand. You completed the changes very quickly and did a great job of interpreting the list of changes we requested.

Having an effective website is critical for all organizations today and we know that Zimbabwe Gecko Society will definitely benefit from the work you have done. The website enables us to promote our message to a larger audience and therefore directly contributes to the help we can provide widows and orphans in Zimbabwe. We are truly grateful for your help.

Sincerely,

Annette & Sue
On behalf of the Zimbabwe Gecko Society
